

I _____ from the _____ understand that there is a 'no helium' policy at the MassMutual Center. Since our group will be using helium balloons for decoration of our event on _____ understand that there will be a charge of \$75/hour for removal from the ceiling at the end of our event. I understand that a 2 hr. minimum payment (\$150) must be made in advance of the event taking place. If there are no removal charges at the conclusion of the event the payment made in advance would be applied to any outstanding balance due or a refund will be given.
